Better workplace

Make your workplace smarter

With interactive space management solutions and smart tools your workplace becomes more accessible – facilitating collaboration, efficiency and productivity. Schedule and manage rooms and other shared spaces in your office. Gain powerful insights through comprehensive statistics. Book meetings and meeting rooms on the fly.

Your office – at your fingertips.

In the Meetio package

Meetio Admin

Best-in-class centralized management for your entire Meetio suite.

Analytics

Workplace usage statistics give you invaluable insight into how your resources are actually used.

Support

Although you probably won't need it - we have really great support if something goes wrong.

Security

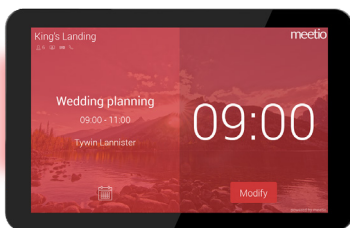

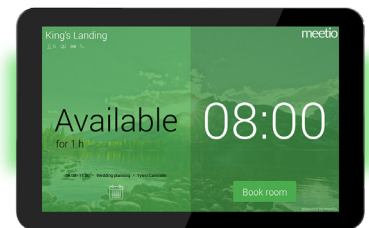

Enterprise grade security keeps your data safe and secure.

Meetio Room

Easy to understand – simple to use

Room management made easy for everyone – the universal traffic light system literally leaves no room for interpretation. Grab a meeting room with the ease of two clicks.

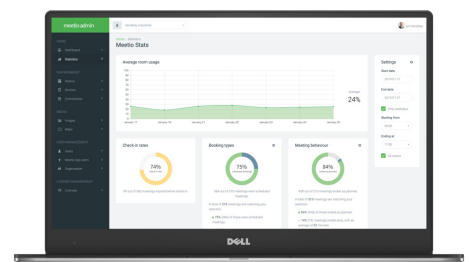

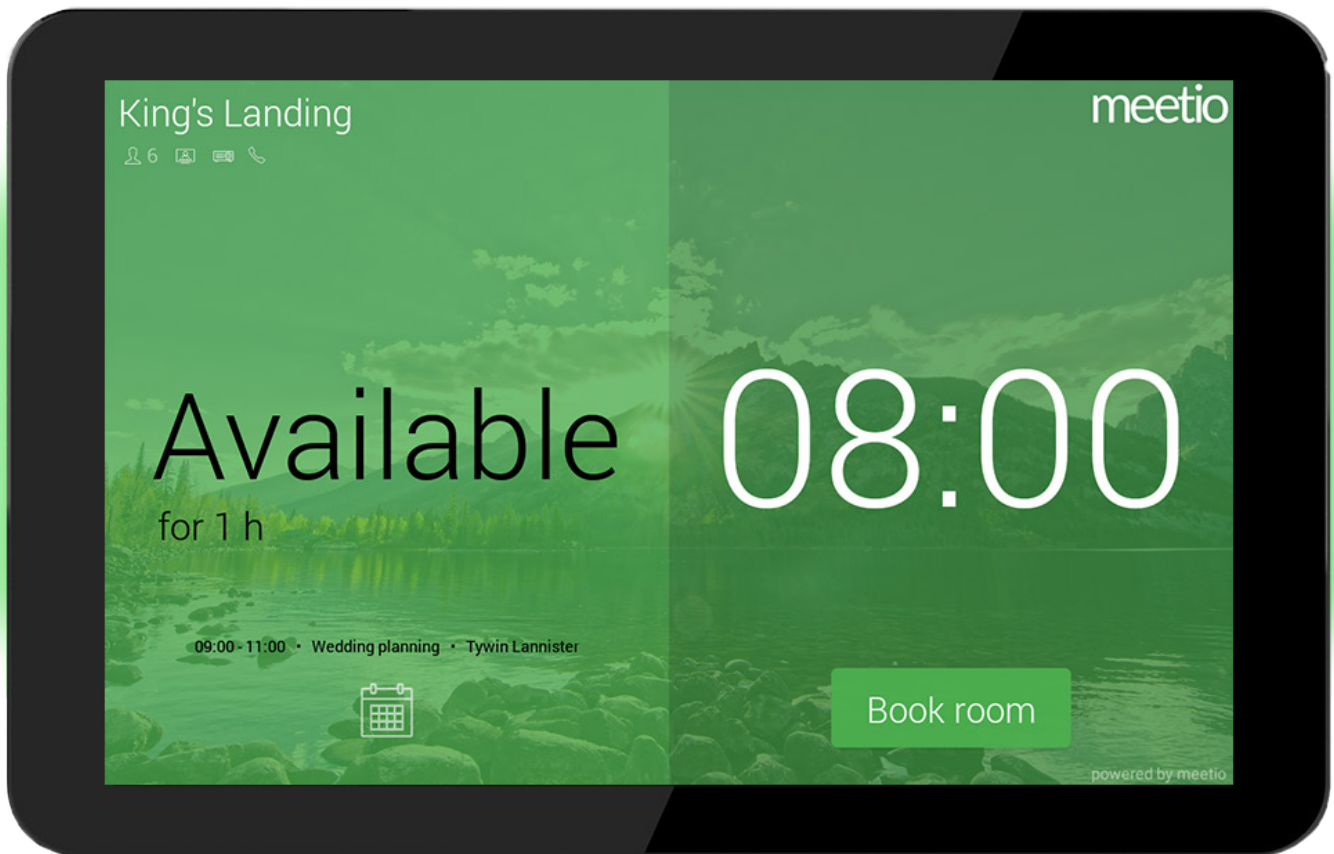

Saves time and space

Make the most out of your time and office spaces. Say goodbye to “stolen” rooms, disrupted meetings and empty rooms due to no-shows. Say hi to smoother workdays with better meetings and increased productivity!

Makes your workplace smart

Have you ever had the feeling that you need more meeting rooms? Meetio Room gives you insights about booking behavior and how your meeting rooms are really utilized. Use the data to adapt functionality and increase meeting room availability.

Meetio Room

Meetio Room 10" is a plug and play solution that improves availability and room use. The hardware is a commercial grade 10" tablet, bundled with everything you need to get up and running quickly. Bright LED bars along the sides of the tablet coordinate with the screen color (red, yellow or green) and help show the room status even from a distance. Book meetings on the spot and manage ongoing meetings on the display, or through your existing calendar. Integrates seamlessly with Office 365, Exchange or G Suite. All Meetio services, updates, support, hardware warranty etc. are included for 36 months.

For a full technical specification or an installation guide, feel free to contact us.

Package includes:

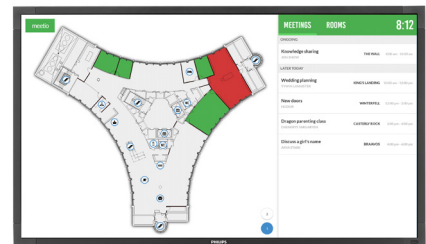

- Commercial grade 10" tablet
- Meetio Room license
- Built-in wall mount
- Power supply
- 3 year hardware warranty
- Meetio Admin
- Statistics
- Support and updates

Meetio View

Clarity at first sight

Need to find a meeting room ASAP? Intuitive floor plan maps give an instant overview of the entire office and the room availability – all on a single touchscreen.

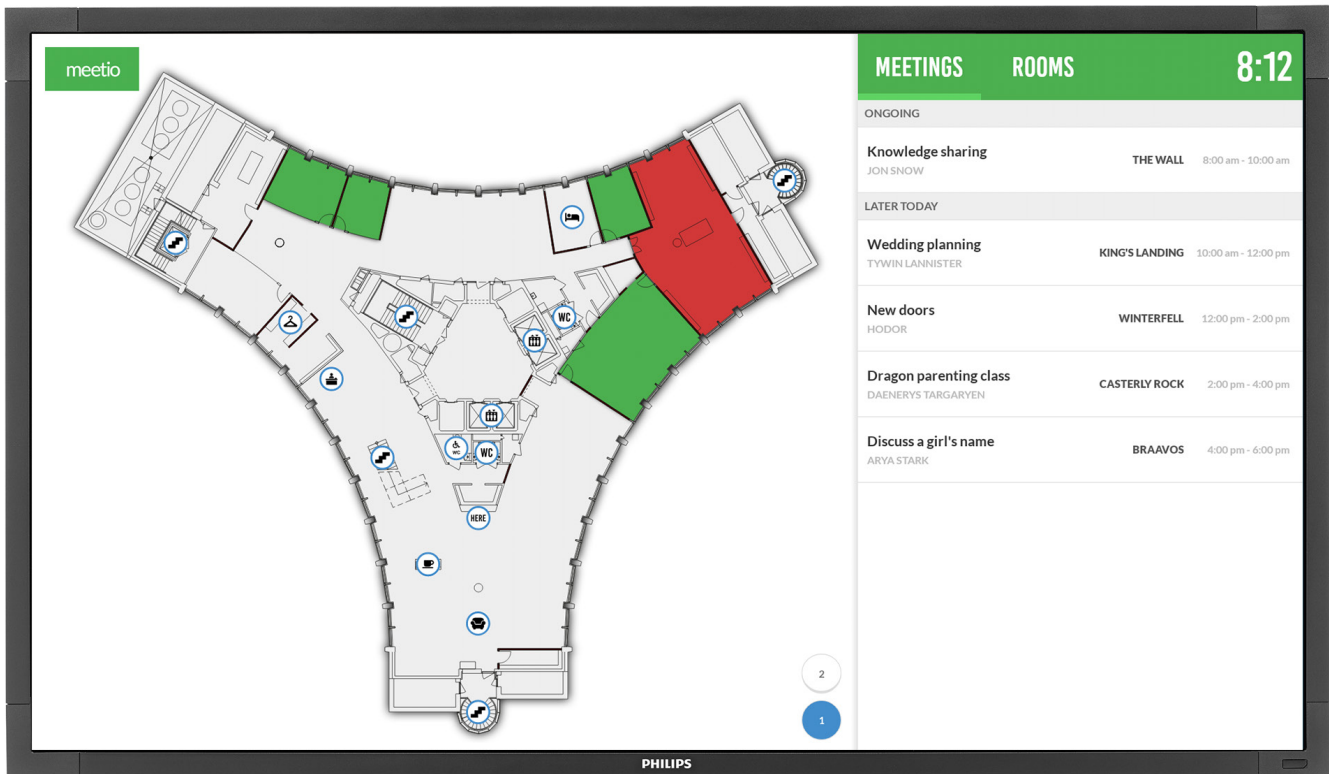

Boosts first impression

Don't let confusion be your visitors' first impression of you – make them feel welcome by showing them which room that's booked for their meeting and when the meeting starts. Meetio View is ideal in your reception or lobby.

Instant room booking

When you have found the perfect room for your meeting – book it right away, on the screen. Just click on it and it's yours. Easy as pie.

Meetio View

The Meetio View bundle comes in a variety of screen sizes with professional multi-touch displays. Use Meetio View for a grid or list overview of your rooms and meetings, and book rooms right on the screen. Or, add our map service to showcase your entire office in an intuitive floor plan map! Integrates seamlessly with your existing resources in Office 365, Exchange or G Suite. All Meetio services, updates, support, hardware warranty etc. are included for 36 months.

For a full technical specification or an installation guide, feel free to contact us.

Package includes:

- Commercial grade multi-touch display
- Meetio View license
- Power supply
- 3 year hardware warranty
- Meetio Admin
- Statistics
- Support and updates

Meetio App

Schedule on the go

Meetio scheduling app makes your workday a whole lot easier by letting you schedule meetings and meeting rooms – all at once, from wherever you are.

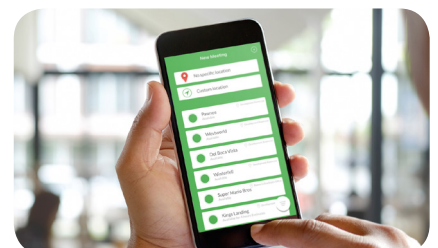

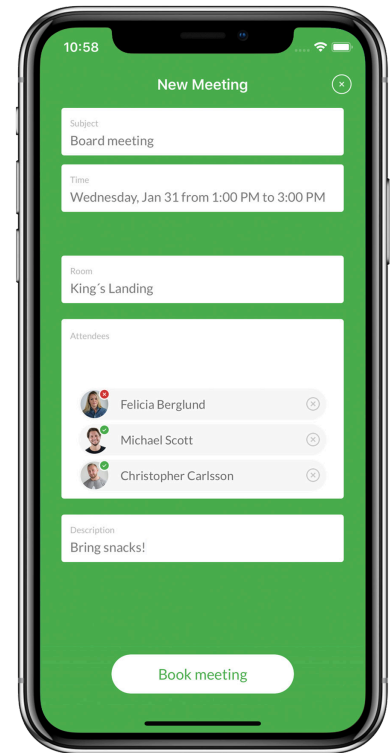

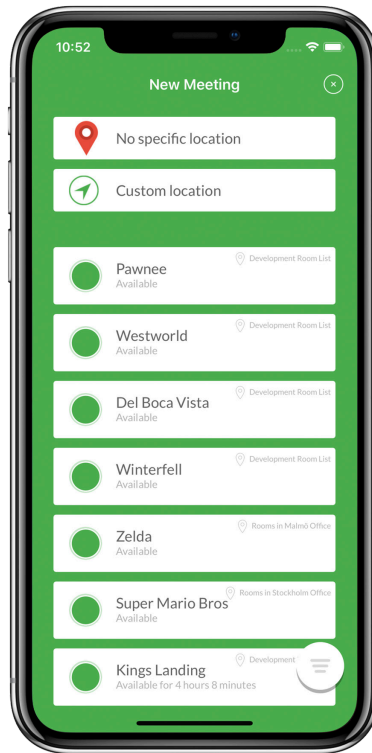

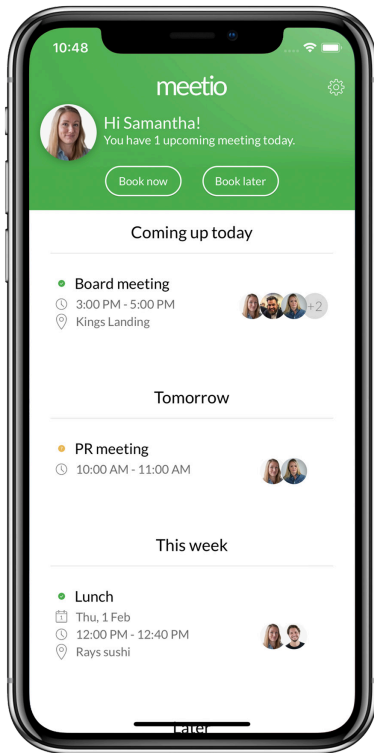

A true timesaver

Creating meeting invitations and scheduling rooms from your standard email client takes a lot of unnecessary time. Meetio App takes away all of that hassle.

Handy overview

Forget about searching the office for available meeting rooms. A complete overview of free meeting rooms is just one click away – in the palm of your hand!

Meetio App

The Meetio App connects seamlessly to your calendar system in Office 365 or Exchange. All of your existing appointments show up in the app from the start making Meetio App your personal daily meeting agenda. Meeting rooms are now easily accessible for any of your existing appointments or new ones, right at your fingertips. Superpower filters allow you to find rooms based on number of participants or equipment needed (like a projector screen, white board or web conferencing equipment). Meetio App seamlessly integrates with your existing calendar in Office 365 or Exchange.

For a full technical specification or an installation guide, feel free to contact us.

Package includes:

- App for iOS or Android
- Meetio App license
- Support and updates

The logo consists of a solid green rectangular background. Centered within this rectangle is the word "meetio" in a white, lowercase, sans-serif typeface.
