

4x1 HDMI Switcher 4K (60Hz 4:2:0)

The PT-SW-HD41S is a four port HDMI audio switcher ideal for use in modern home cinema. Its 4K ready architecture will ensure that your home cinema media is supported at the maximum resolution. This ultra slim switch is packed full of features to ensure continuous operation no matter what the source or sink. PT-SW-HD41S supports a range of Dolby features as well as providing full ARC capabilities, Auto Sense and IR remote commands for complete control.

4 PORT HDMI SWITCHING

Four 4K HDMI inputs and a single 4K output makes this switch ideal for modern home cinema.

UHD / 4K ENABLED

Compatible with the new Ultra High Definition sources and displays, displaying signals at resolutions up to 4K @60 4:2:0 (10.2Gbps).

CINEMA SOUND

PT-SW-HD41S boasts comprehensive audio capacities including PCM, Dolby Digital, DTS, and DTS-HD. As well as full ARC capability for direct communication with an AVR.

COMPLETE CONTROL

The PT-SW-HD41S is designed for flawless operation and simple usage. Features such as Hot Plugging, Auto Sense EDID Management, RS232 and IR Control will guarantee impeccable communication between sources.

ULTRA SLIM DESIGN

All of this technology is packed into a slim line enclosure, for installation into furniture or snugly behind the TV.
